Overview

Search Click Search to do a search using Google.

Library Search From here you can search for books, DVDs and other resources in your campus or TAFE libraries. TAFE NSW eResources lists outside sources of information that TAFE subscribes to for student use.

My Library Enter your TAFECard barcode and PIN to look at what you’ve borrowed from your institute’s library.

My Calendar Enter dates that you want to be reminded of tasks such as assessments, exams or special days.

My TAFE Some TAFE sites of interest. To re-order links roll over the link and click the up or down arrows. Click More to see all links.

Portlets Most portlets can be maximised, minimised and moved around the page.

My Timetable Enter your timetable information such as the time, subject, teacher and room into Timetable A or B.

My Links Portlet Click Add Links to create a portlet to save favourite links to. You can add any number of links portlets.

My Learning Learning resources of interest. Links can be re-ordered. Click More to see all links. If you have access to a learning management system such as Moodle or Sakai, you will see the link here. If you are a member of a blogED blog, you may see a list of your blogs, posts or number of comments.

e-Services Log in for details of your enrolments, change contact details, view your results, get details of exams, change password, pay outstanding fees, request transcripts and enrol online.
